

Procedures and policies for maintaining and utilizing Physical Academic & Support facilities

1. Digital Education & Learning Laboratory (DELL):

Language Laboratory was established in 2008 with an objective of providing English Language practice to the students. It helps to improve their communication skills especially with reference to English language. Students are enrolled for SCOPE CPT & BULATS examination and they are given schedule for practice for examination. They get Cambridge ESOL certificate after successfully passing the examination. This laboratory is maintained from the course fee collected from the students.

2. Library:

Our library is rich with different kinds of text books, reference books, Journals & CDs. There are more than 25000 textbooks & reference books. Every year college spends more than Rs.15000/- every year for the subscription of reputed journals and magazines. Library is maintained totally from the funds collected from the students as a library fees. Book Bank & Loan Library schemes are there with the help of which needy students are provided books. Students also prepare themselves for the competitive exams with the help of different journals and magazines from the college.

3. Computer Laboratory:

Computer Laboratory is well developed and equipped with latest ICT tools. Computer Application is offered as a subject elective to the students from Semester- I to IV. They are given detailed time-table for their practice. There are 40 computers for this purpose. This laboratory is maintained from the fees collected from the students separately as a computer practical fee.

4. Sports Facilities:

College has facilities for both indoor and outdoor games. For indoor games like Table-tennis, Badminton, there is a well-developed indoor stadium. For outdoor games, there is a huge playground. In the beginning of the first and second term, interested students are called for their registration for the games they are interested in. Then they are given enough opportunities to prepare themselves for the games. College supports them for University Level competitions, Zonal Competitions and also for the national Competitions. All the facilities for sports are maintained from the gymkhana fees.
